VIII. PURCHASER CERTIFICATION: PLEASE READ THIS SECTION CAREFULLY AND COMPLETE

I HEREBY CERTIFY THAT:

1. I understand that back taxes, outstanding code violations or unresolved foreclosures would mean that my application or purchase cannot proceed until such time as those issues are resolved.
2. All information provided in the application are complete, accurate and current.
3. I will maintain the property in accordance with all land use, zoning and property maintenance laws and ordinances.
4. I will pay all costs and fees associated with the property, the closing of this transaction and any future related transactional costs, including any and all delinquent taxes and outstanding water assessments, attorneys fees, and recording fees.
5. I understand the aforementioned fees, taxes, and other costs of closing are good faith estimates and are subject to change at closing. No fees or taxes will be prorated.
6. I agree that the Troy Community Land Bank may decline my offer to acquire this property for any reason. All sales are subject to approval by the Troy Community Land Bank Corporation's Board of Directors.
7. I agree that if my offer is accepted and I have been provided with a Contract For Sale, I will have three business days to execute the contract. If I do not execute the contract within three business days, the Land Bank reserves the right to cancel the transaction and sell the property to the second buyer. Buyer will have an additional three days from the signing of the sales contract to review it with an attorney and to seek attorney approval. If I do not notify the Land Bank that I do not have an attorney, or that my attorney does not approve the contract within that three business days, I waive that contract contingency and the contract will be deemed approved.
8. I agree to authorize Troy Community Land Bank Corporation to conduct a background check and have attached the completed authorization form.
9. I understand that all Land Bank properties are sold in "as is" condition and no warranties are made regarding property condition. The applicant assumes all responsibility to investigate, and if necessary repair the physical condition of the properties or of any structures or improvements located on any of the properties.
10. I understand in the event of financial hardship, the Reduced Closing Costs Program may be available.

IX. ADDITIONAL TERMS AND CONDITIONS

I understand that the Troy Community Land Bank Corporation as required by law and/or contract may transfer the property with certain deed restrictions or requirements if applicable. This may include, but is not limited to:

- Restriction where the property shall serve residents with incomes of 100% AMI in Troy Community or less (as defined by HUD) for a period of 5 years. Generally this would occur when certain types of funding (e.g. grant funds) are invested in a property to facilitate the return of the property back into

active use. The Board of Directors, however, may add this restriction to any Land Bank property if they determine it is in the best interest of the development of the property.

Example: An investor or owner occupant purchases a property that has received stabilization funds from the Land Bank and plans to complete the rehab for rentals or use a portion of the building for rentals. The rentals may be required to serve occupants with income levels of 100% or below of the Troy Community Area Median Income (AMI) which, as of June 2016 is \$82,700.

- Restriction requiring the buyer to get written consent from the Land Bank for a sale or transfer during a term of 5 years from the date of closing.

Example: A developer that intends to purchase, rehabilitate and resell a property would be required to have the prospective buyer submit an application to the Land Bank for approval so that the Land Bank can ensure that they meet the application criteria for being a responsible property owner.

- Enforcement mortgage requiring the buyer to comply with certain project timelines, generally as presented by the applicant in their application or as defined by the Board of Directors.

Example: An applicant states that they plan to have at least a portion of the building up and running within 12 months. The plan and timeline will be included in the closing documents. This ensures that properties are not purchased for speculative purposes and that properties will be returned to active use in a timely manner.

- Requirement that certain properties be merged with property already owned by the applicant or multiple Land Bank properties are required to be merged.

Example: An approved applicant who purchases a side lot under the Land Bank's Side-Lot Policy would be required to merge that lot with the property that they already own. Merging lots helps retain the lot as a side lot in the future, can bring non-conforming lots into conformance and consolidates tax and water bills for the owner.

- Requirement for reporting if the application included some activity or program that was part of the rationale for approval.

Example: An applicant that is proposing to provide job training for local residents as part of their project. The board may request a report or series of reports regarding the outcomes of that training program.

BY ENTERING YOUR NAME(S) BELOW, YOU CERTIFY THAT YOU HAVE READ, UNDERSTAND AND AGREE TO BE BOUND BY ALL TERMS OF THIS ENTIRE APPLICATION, INCLUDING THE ADDITIONAL TERMS DISCLOSED IN THE ABOVE SECTION. YOU FURTHER CERTIFY THAT ALL OF THE STATEMENTS SET FORTH IN THIS APPLICATION ARE COMPLETE AND TRUE.
